1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

The species requirement made in the first Office Action is hereby withdrawn in view of the allowability of generic claim 1. All the disclosed species have been examined on the merits to the extent that the pending claims read on such.

2. The following is an examiner's statement of reasons for allowance:

The prior art does not teach or suggest a magnetic head with a lower core layer, an upper core layer, a non-magnetic gap therebetween, and a coil layer, where the upper core layer is made of an FeNiX alloy with the configuration and varying concentration of iron as specified in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert S. Tupper whose telephone number is 571-272-
